## FAQ

**Q1: What if my manual doesn't cover my specific problem?**

Other Granada owners may have encountered the same problem and shared solutions. You can also try searching for specific repair videos on platforms like YouTube.

**Q7: Is it safe to work on my car myself?**

A7: Safety is paramount. Always prioritize safety precautions, including using proper safety equipment, working in a well-ventilated area, and using jack stands correctly. If you are unsure about any repair, consult a qualified mechanic.

**Q8: My Granada's a rare model; will I find a manual?**
